Texto:

When I was eleven years old my father decided he needed a new wall on the front of his shop. It would be a bit wall: roughly twelve feet high by twenty feet long. The old wall was crumbling, and he was sick of looking at it. But rather than hire a contractor or a construction company, he thought it would be a good project for my younger brother, Harry, and me.

Linha a linha:

When I was eleven years old

Quando eu tinha onze anos de idade

my father decided he needed a new wall

meu pai decidiu (que) ele precisava de um novo muro

on the front of his shop.

na frente da loja/oficina dele.

It would be a big wall:

Seria um grande muro:

roughly twelve feet high by twenty feet long.

aproximadamente doze pés de altura por vinte pés de comprimento.

The old wall was crumbling,

O antigo muro estava desmoronando,

and he was sick of looking at it.

e ele estava cansado de olhar para ele.

But rather than hire a contractor

Mas ao invés de contratar um fornecedor de serviços

or a construction company,

ou uma empresa de construção,

he thought it would be a good project

ele pensou (que) seria um bom projeto

for my younger brother, Harry, and me.

para meu irmão mais novo, Harry, e eu.
